EXPERIENCE

Undergraduate

Physics department, Shanghai University

📅 9, 2013 – 6, 2017

Master student for condensed matter physics

ICQMS, Shanghai University

📅 9, 2017 – Ongoing

- Structural and spectroscopic studies of weak interactions in bio-molecules

PROJECTS

Study of pentagonal graphene

ICQMS, Shanghai University

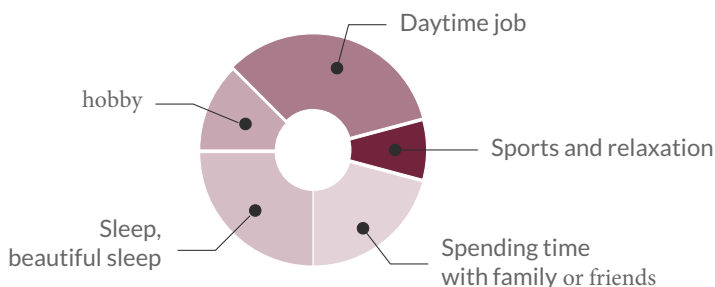

Structural and spectroscopic studies of weak interactions in bio-molecules

ICQMS, Shanghai University

📅 2 years

A comprehensive analysis of the properties of amino acids oligomers, serine I & serine II

A DAY OF MY LIFE

MY LIFE PHILOSOPHY

[1]John] There is no fear in love. But perfect love casts out fear.

MOST PROUD OF

🏆 **Fantastic achievement**
Awarded scholarships many times

❤️ **Another achievement**
Go amateur four

STRENGTHS

Presentation skill Eye for detail

Logical thinking, organized and problem solving ability

Python

Statistical Analysis

LANGUAGES

Chinese ●●●●●

English ●●●●●

Japanese ●●●●●

EDUCATION

M.Sc. in Your Discipline

Shanghai University

📅 Sept 2017 – June 2020

B.Sc. in Your Discipline

Shanghai University

📅 Sept 2013 – June 2017
